## How your donation helps!

Your support makes a difference in your community. Lions recycle your used eyeglasses, hearing aids and cell phones, providing sight and hearing services to youth and adults.

Your pocket change and dollars support programs for vision and hearing surgeries for community members who have no where else to turn.

Each year, Lions Clubs partner with the **Oregon Lions Sight & Hearing Foundation** to help over 52,000 Oregonians in need of sight and hearing assistance.

For more information, contact:

***Oregon Lions***  
Sight & Hearing Foundation
